

Support the Parks You Love

Join us for the 6th Annual Park Advocacy Day March 6, 2012 | Albany

Join Parks & Trails New York and the Alliance for New York State Parks in Albany for the 6th Annual Park Advocacy Day and help send a message of support for New York's 213 state parks and historic sites. As a park advocate, you will have the opportunity to join with park supporters from throughout the state to meet with policymakers and stress the importance of supporting Governor Cuomo's budget proposal, particularly the \$89 million slated for state parks under the New York Works Fund. Your efforts will have a lasting impact on legislators as they make important decisions about parks.

Participating in Park Advocacy Day is meaningful, fun, and most of all, easy! As a Park Advocacy Day participant, you will be assigned to a team with fellow state parks supporters who will join you in meetings with policymakers throughout the day.

Information and Registration

For more information and to register, please contact Laura DiBetta at 518-434-1583, email ldibetta@ptny.org, or visit www.ptny.org. There is no cost to participate, but registration is required.
