### **Registration Open for Cycle the Erie Canal 2018** **—20<sup>th</sup> Anniversary Tour Celebrates Erie Canal Bicentennial—** *Experience one of the most scenic and historic trails in America this summer*

ALBANY, NY – Registration is now open for Parks & Trails New York’s 20<sup>th</sup> anniversary *Cycle the Erie Canal* tour, an unforgettable opportunity to bike across New York State and take in the rich history of the legendary canal that transformed America. The eight-day, 400-mile recreational bicycle tour from Buffalo to Albany is scheduled for July 8-15, 2018.

*Cycle the Erie Canal* participants will experience one of the best trails in America as they cycle through historic canal villages and discover the small-town charm of Upstate New York. Along the way, canal historians and local experts will introduce riders to the people, places, and things that make the Erie Canal so important to the history of New York and the nation. Cyclists will get to experience some of New York’s most iconic attractions, such as the Women’s Rights National Historic Park in Seneca Falls, and camp at Fort Stanwix in Rome, a full-scale fort recreation from the French and Indian War.

With more than three-quarters of the route off-road on the mostly-flat and traffic-free Erie Canalway Trail, the tour offers unparalleled cycling for all ages and abilities.

In 2017, the tour drew 750 cyclists, from 37 states and Canada, Denmark, Sweden, Switzerland, and the United Kingdom.

Covering between 40 and 60 miles per day, cyclists travel along the Erie Canalway Trail, which is now 80 percent complete and will, by 2020, be completed as part of the statewide 750-mile Empire State Trail. A recent study shows that the Erie Canalway Trail annually receives close to 1.6 million visits and generates an economic impact of \$253 million

Registration for *Cycle the Erie Canal* includes camping accommodations each evening with restrooms and showers; eight hearty breakfasts and six delicious dinners; two refreshment stops daily stocked with fruit, snacks and beverages; SAG support and baggage transport; daily cue sheets and marked routes; entertainment and historical presentations every evening; and guided tours of the Canal, historic sites, museums, and other attractions. Shuttles will be available at the beginning and the end of the ride to transport riders and their bicycles for an additional fee. Two- and four-day options are available.

The registration fee for the full tour is \$795 for adults and \$435 for youths ages 6-17 and non-cycling participants.

Erie Canal Trailblazers, who commit to fundraise to help Parks & Trails New York's trail development efforts along the Erie Canalway Trail, pay only \$100 and receive special recognition on the tour.

Parks & Trails New York is the leading statewide advocate working to create a network of parks, trails, and greenways so that New Yorkers can enjoy the outdoors close to home. *Cycle the Erie Canal* supports Parks & Trails New York's work on the Erie Canalway Trail and in communities across New York State.

The New York State Canal Corporation, the agency charged with operating, maintaining and promoting New York's Canal System and the Canalway Trail, is the Premier State Sponsor of the *Cycle the Erie Canal*. The Erie Canalway National Heritage Corridor is the event's Heritage Sponsor. Nalgene will provide premium BPA-free water bottles for all participants.
