

The Service Collaborative had the opportunity to welcome volunteers from M&T Bank to build capacity for the Beds for Buffalo initiative. The group dedicated their time, talents, and energy to address childhood poverty throughout WNY. Over the course of 3 projects, 18 volunteers served a total of 54 hours (a value of \$1,600). In addition, the volunteers hosted donation drives and fostered additional funding opportunities to support the community-based initiative. The group collected over \$1,000 of bedding items to furnish each bed and assisted in securing \$8,000 to support the initiative. We thank M&T Bank and volunteers for their hard work and commitment to Beds for Buffalo!
